

## Directions to Q4 parking for CASE

Syracuse University is most easily reached from interstate 81. NYS Thruway travelers should exit at Interstate 81 (Thruway exit 36) and proceed south. Both northbound and southbound travelers on Interstate 81 should exit at East Adams Street (exit 18).

Proceed along East Adams St. up the hill. At the light at the top of the hill, turn right onto Irving Avenue. At the next light, turn left onto Waverly Avenue. At the 4<sup>th</sup> light, turn right onto Comstock Avenue. Travel to the second light and turn right onto Euclid Ave

Tell the attendant at the booth that you are looking for the Q4 lot; they will direct you around the corner and into the lot on College Place. Give the parking attendant your name.

The **Center for Science and Technology** is located to the left of the parking lot. Enter the building at the side metal door closest to College Place. Follow the hallway straight to the end (you will be in the Chemistry department). Turn right and follow the hallway through the double doors. There will be an elevator on your right hand side. A stairwell is also just past the elevators. Take the elevator to floor 2. Turn right into the hallway and follow it around to the left. **Room 2-212** will be down the hallway on the left. Our office is on the left hand side of the suite.
